1. From the Deputy Commissioner, Bangalore District, letter No.C.2.1607/29-30 dated 23rd August 1930, solicits orders of Government in the matter of the proposal of the Channapatna Municipal Council to give a pay of Rs.60/- plus 10/- to Mr. Hyder Ali Khan, Sanitary Inspector.

2. From the Revenue Commissioner in Mysore, letter No.Dis.C.Per.98/30-31 dated 23rd August 1930, forwards copy of the above.

The question relates to the proposal to give one Mr. Hyderalli Khan appointed as Sanitary Inspector in the Chennapatna Municipality on a pay of Rs.60/-. In consultation with the Revenue Commissioner orders were issued directing his reversion to his permanent appointment as Revenue Inspector and that the vacancy be utilized for absorbing one of the thrownout Sanitary Inspectors.

2) The Deputy Commissioner says that "it is represented to him that the Revenue Commissioner has recommended to Government that this Official may be treated as acting and that he may be provided in the next vacancy of Sanitary Inspector etc. There has been no such recommendation from the Revenue Commissioner.

3) The Revenue Commissioner in forwarding copy of Deputy Commissioner's letter dated 23rd August 1930 states that his recommendation to revert the official to the Revenue Department was made on the information

NOTE—Contn Sheet

information furnished by the Deputy Commissioner and that on the facts now represented he has no objection to the confirmation of the official in the Municipality.

4.) From the records, it was gathered that --- Hyder Alikhan who was a Revenue Inspector on Rs.40/- plus 10/- was taken as Village Panchayet Inspector on Rs.60/- in February 1927 in the Kolar District. On the abolition of the appointments of Village Panchayet Inspectors in July 1929 this Official was appointed as permanent Sanitary Inspector in a vacancy in the Channapatna Municipality advertised for the purpose. As a Revenue Inspector he was drawing Rs.40/- permanently and as Village Panchayet Inspector Rs.60/- temporarily. On the representation of the Official, the Municipal Council of Channapatna are reported to have approved of his being given a pay of Rs.60/-. It was when this recommendation came to Government that it was noticed that the appointment of the Official as permanent --- Sanitary Inspector was not regular.

* Since retirement to the Dry Line

5.) In para 6 of Government Order No.L.3059-124 L.B.25-26-14 dated 12th November 1926, Government have directed that such of the staff of the District and Taluk Boards as could not be utilized under the new District Boards should be absorbed as far as possible in existing vacancies in the District. Vacancies among Sanitary Inspectors should have in consonance with the spirit of the orders already issued been filled up by Sanitary Inspectors under the District and Taluk Boards and the places should not have been permanently filled up by others when it was well known that the old Sanitary Inspectors who were working as Village Panchayet Inspectors would be thrown out sooner or later.

6.) The Official in question was appointed --- permanently as Sanitary Inspector though he had a lien

lien on his appointment in the Revenue Department. The Revenue Commissioner has reported that there are 14 Sanitary Inspectors to be still provided for. In another connection the Deputy Commissioner has reported that this official has since been transferred from the Channapatna Municipality to the Bangalore District Board.

7) The questions for consideration are.-

(1) whether the orders already conveyed that the Official be reverted to the Revenue Department be cancelled,

(2) what pay the official should be allowed to draw under the District Board if he is to be retained as a Sanitary Inspector,

(3) whether, as a special case, the official may be allowed to draw a pay of Rs.60/- for the period -- during which he worked in the Channapatna Municipality.

8) The Official has not passed the Sanitary test but was exempted from passing it (please see para 8 of Ml.File.10-29). Sanitary Inspectors with full qualifications usually start on Rs.35/- and rise to a maximum pay of Rs.87/- by annual increments of Rs.2/- up to Rs 66 and thereby biennial increments of Rs 5/- up to 87 (Mad Go no R 16474 / Mis 184-16-23 & 24 6/19)

SIR,

Subject — The pay of Mr. Hyderalikhan, Sanitary Inspector, Chennapatna Municipality.

In enclosing herewith a copy of my letter No. C2- 1607/29-30 dated 18th July 1930 addressed to the Revenue Commissioner in Mysore in reply to a reference made by him in the matter, I have the honour to state that it is represented that there has been a recommendation from the Revenue Commissioner to the Government that his appointment may be regarded as acting and that he may be provided in the next vacancy as Sanitary Inspector. If it is a fact, there seems to be some misunderstanding as regards the appointment which Mr. Hyderalikhan was holding in Chennapatna Municipality. This appointment was advertised under the C.R.B: Rules as a permanent vacancy and the applicant who was then a Panchayet Inspector in the Kolar District applied for it after getting exemption from the Government from passing the Sanitary tests and was appointed <u>permanently</u> as a Sanitary Inspector of the Chennapatna Municipality. The question of his increment was under the consideration of the said Municipal Council and they have resolved that he should get Rs 60/- (plus Rs 10/- (Cycle allowance)), the pay which he was drawing as a Panchayet Inspector. It was only the question of increment that was under consideration and not his appointment which had been made permanent.

Under these circumstances, I think that if the Revenue

p.t.o.

Commissioner has made a recommendation as stated above, it will not only act as a hardship on the incumbent, but will not be supported ~~to~~ by facts. Hence I request you to kindly examine the case in the light of all these circumstances and obtain early orders of Government in the matter. I have sent a copy of this letter to the Revenue Commissioner for his information.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Letter No. C2-1607/29-30 dated 18th June 1930 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore.

With reference to your docket No. C.4687/29-30 dated 7th June 1930 re. the appointment of Mr. Hyder Alikhan as a permanent Sanitary Inspector in Chennapatna Municipality on Rs 60/-plus 10/- I have the honour to state that the official has been exempted from passing the Sanitary tests, and has been appointed through the Central Recruitment Board.

As regards the other point raised in your letter whether there are no Sanitary Inspectors doing duty as Panchayet Inspectors to be provided for on the 1st July 1930, I am to state that, as far as possible, all such officials have now been porvided for. A separate reference is made to you on the subject.

Meanwhile, this official has also been transferred to the District Board and what is now wanted is permission to draw for the official a salary at Rs 60 plus 10/- per mensem for the period of his stay in the Municipality and to start him on Rs 60/-. The Municipality have appreciated his services and have resolved to pay him at that rate.

I request you to kindly obtain the orders of the Government in the matter. The connected records accompany.
